MBA 745 Experience
Business Abroad: Mannheim 2016

March 6-12, 2016
Mannheim, Germany
Mannheim

Mannheim is the 3rd-largest city in the Baden-Württemberg state of Germany. It is nicknamed "die Quadratestadt" (city of the squares) because of its grid layout, unusual among German cities.

Mannheim houses a number of factories and offices, including those for ABB, Alstom, BASF (Ludwigshafen), Bilfinger Berger, Bombardier, Fuchs Petrolub AG, John Deere, Siemens, SCA and Südzucker.

The University of Mannheim is located in the 18th-century Mannheim Palace.

Activities

Tour of Heidelberg—Regarded as one of the most beautiful cities in Germany, Heidelberg is dominated by the mighty ruins of the castle, which for five centuries was the glittering residence of the Palatine Prince Electors.

Neustadt—The heart of the “Germany Wind Road” with a beautiful medieval center characterized by timbered houses.

Hambach Castle—Considered to be the cradle of German democracy movement due to the Hambacher Fest of 1832. Today the castle serves as a national museum and convention center.

Corporate Visits

(BasF—The world’s largest chemical company with more than 330 subsidiaries worldwide; headquartered in Ludwigshafen.

HeidelbergCement—The global market leader in aggregates and a prominent player in the fields of cement, concrete and other downstream activities, making it one of the world’s largest manufacturers of building materials.

John Deere—John Deere was founded in 1837. Today, 47,400 employees are located at 43 works in 17 countries. John Deere products are delivered to more than 160 countries. Its Mannheim location is the largest manufacturer of agricultural machinery in Germany.

European Central Bank—The central bank for the Euro, the ECB monitors and administers over the monetary policies for the 17 members of the Eurozone.
