Alumni Accomplishments

Tarik Gaertner

Tarik Gaertner's ('15 MBA) capstone project was a unique and internationally rich experience he sought when he chose BiP, a unique Bryan School program that allows German students with company sponsorship to complete their MBA at UNCG in a year.

Mehek Khara

An unnerving experience at an Institute for Supply Management case competition illustrates how Mehek Khara's ('16 MBA) Bryan School education helped to sharpen her innate ability to succeed when faced with the new and unexpected.

Iva Wepner

When Iva Wepner ('16 MBA) was searching for a position that would position her as a standout performer in a successful career, she turned to a favorite adage. "Tell me and I'll forget; show me and I may remember; involve me and I'll understand."
